Here's What Others Say

I have not laughed so much for so long! From the moment he started to the finishing comment, Allan completely captured the audience, and made them do the one thing we requested him to do... make them laugh.

A week later and staff are still talking about it!

- GUIDANT AUSTRALIA

Having such a diverse group of people from the Asia Pacific region can be a little daunting for any speaker. Your presentation was fun, exciting, inspirational, controversial, and a topic of conversation between participants for the next few days.

- HEWLETT PACKARD AUSTRALIA LTD

Allan was awesome as expected. Funnily enough we are all laughing and still aware of our body language this morning in the office. He was a highlight of the day. Thank you so much for assisting in organising as well, he was a delight!
